WHY THE DUTCH DISC GOLF NATIONAL TEAM?

As a team, The Dutch Disc Golf National Team is currently ranked 17th in the world, and we are on a determined path to break into the top 15. This ambition is not just about rankings; it is a step towards participating in the prestigious International World Games in China in 2025.

Our performance at the World Flying Disc Federation (WFDF) 2022 Team World Championships in Croatia was not just a display of skill but also of character. We improved our world ranking by seven places and were honored with the 3rd place in the Spirit of the Game (SOTG) award out of 26 teams. This award, voted on by our competitors, is a testament to our team's sportsmanship, integrity, and the positive attitude we bring to the game.
